CLUB NOTES

HALF WAY UP : POINTS AND GAMES EQUAL

Regrettably our position in the Second Division table, while satisfactory, is not particularly exciting. As when we had completed 24 fixtures, and 27, the record shows a point a game for 30 matches. Three other clubs, Manchester City, Bury and Ipswich Town, are also on the 30 points mark, but have a superior goal ratio.

We are about half way up, 10 or more points behind the redoubtable three "N's"—Newcastle United, Norwich City and Northampton Town, whose consistency is comparable with ours of last season and is most marked where North End have been lacking, namely, in defence. The goals against them total only 37, 34 and 33 — (P.N.E. 58 !).

We had our chance at Northampton a fortnight ago to keep on the fringe of the promotion race (with a win the equivalent of four points to both clubs) and failed to take it. The light went out with our 1-2 defeat. The result was the more disappointing because we played quite well, having at least an equal share of play.

But as in several matches which took a similar course North End needlessly conceded soft goals (two in this instance), did not make the most of their scoring chances even though having bad luck with two or three goal-worthy efforts, and both lost rhythm and relaxed at a time when the issue was in the balance.

That is not promotion form : we were in a position through having equalised and gained the initiative to have forced a valuable victory if concentration and purpose had been fully maintained, but the necessary determination was lacking when the "Cobblers" were struggling and they rallied to snatch a late deciding goal.

CLUB NOTES—continued

Reaction was apparent in the succeeding match with Blackburn Rovers, a friendly at Ewood Park to fill in the gap caused by the postponement of our visit to Swansea owing to the Swans' Cup-tie commitments. Incidentally, our next away fixture, at Selhurst, with Crystal Palace, has had to be put off for the same reason.

When this match does take place it will be North End's first meeting with Crystal Palace. The newly-promoted Palace are having their second taste of Second Division football. They were the initial champions of Division III in 1920-21 and stayed up four seasons, being relegated (as we were to Division II) in 1924-25.

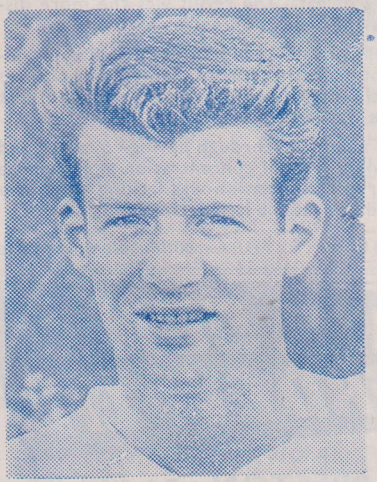
In the match at Blackburn, which drew 5,859 spectators, North End did not play as badly as a 1-5 reverse suggests; far from it: we were often in the game with counter attacks, not finishing too well before Alex Dawson in the next to the last minute averted the humiliation of a 0-5 defeat by shooting a consolation goal.

But it must be acknowledged that most teams would be inclined to give up the ghost if three down in 35 minutes, with all three scored by one player in a heady spell of 13 minutes ! This menace to our defence was centre forward John Byrom, who hit the headlines with a hat trick and four altogether. Douglas got the fifth.

Have you notice there are only 18 points between the top and bottom Second Division clubs — Newcastle 41, Swansea (our next opponents) 23 ? Just above Swansea are Middlesbrough for whom Ian Davidson, recently transferred from Deepdale to Ayresome Park, made his debut in a 2-3 defeat at Bury on Tuesday night.

It was a serious setback for Raich Carter's team and the more unpalatable because Borough were two goals up at half time. Times are hard for Bury. They are on the mend, but attracted only 6,143. Ian Davidson the previous evening was among old colleagues watching an improving North End Reserve knock Bury out of the Lancashire Cup : this third successive win put us in the semi-final.

NORTH ENDERS SELDOM ABSENT



GEORGE ROSS

ALAN SPAVIN

These two North Enders are rarely absent. Full back Ross has missed only one first team game in two seasons out of 82 and inside forward Spavin, ever-present this season appeared in 80.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

Spectators, particularly our Juvenile Supporters are requested to keep off the playing area. The practice of encroaching on the pitch can lead to incidents, which could result in the closing of the ground by the Football Association.

PLEASE SEE THAT THE PLAYING AREA IS KEPT CLEAR OF SPECTATORS AT ALL TIMES.

OUR VISITORS—*Derby County*

One of the League's oldest clubs, Derby County, are our attractive and always welcome visitors. Our first meeting was as long ago as 1888, in the League's inaugural season, Preston winning by 3-2. In the return match we won by 5-0, and Derby's next six games at Deepdale ended 0-5, 0-6, 0-3, 0-1, 0-1, 2-3.

Our meetings through the years were regular, with three of them particularly remembered. Beaten twice by Derby in our 1914-15 promotion season we conceded the championship to the Rams through losing the last match 0-2 at the Baseball ground. Then there was that terrific thriller of December, 1947, at Deepdale.

Derby, a powerful side that season, finishing fourth from the top, soon got a good lead through Angus Morrison's enterprising leadership, but North End fought back magnificently to take complete command and run out winners by 7-4. We were two down in seven minutes, four times in arrears and 3-3 at half-time.

The Rams had not been beaten for 10 games. To settle any arguments here is the North End team, with scorers in parentheses : Gooch; Gray, Robertson; Shankly, (2-1 pen.), Williams, Horton; Finney, Beattie (1), Willie McIntosh (2), McLaren (2) and Anders. Although Tom Finney did not score he played a great game.

Derby now in the eighth season of their fifth spell of Second Division football, come here with more than an outstanding chance of promotion. No doubt, they are fortified by recollections of a shock 2-0 win at Deepdale last season when, despite being overplayed, they gave our hopes of going up a severe jolt.

Founded in 1884 as a winter section of the County Cricket Club, Derby have never been higher than runners up in Division One (a feat achieved three times), but they have reason to be proud of an outstanding F.A. Cup record, having appeared in the Final four times, winning the trophy in 1946.

Geoff. Barrowcliffe (*right back*). Approaching veteran stage but still a valuable asset. Never absent last season. A local man who signed in October, 1950, when playing for Ilkeston Town. League debut for Derby September 1st, 1951, when 19.

Bob Ferguson (*left back*). Born Dudley. Rugged, forceful tackler who began at Newcastle when 16, moving to Derby in October, 1962. Regular first teamer.

LANCASHIRE LEAGUE — DIVISION I

North End "A" 3 v. Everton "A" 1

Everton, visiting Longsands Lane, started with the intention of avenging their heavy home defeat by North End "A" in January. Everton, a strong and aggressive side scored in the third minute, but North End, through Wood equalized within two minutes after good work by Lea. A minute later North End took the lead through Hope who after beating two men gave the Everton goalkeeper no chance with his fine drive. North End continued to attack and shortly before half-time outside right Worswick was brought down in the penalty area, Hope converting from the spot. The second half brought an all out attack from Everton and only some excellent goalkeeping from Stewart in the North End goal stopped them reducing the lead.

LANCASHIRE LEAGUE DIVISION II

North End "B" 1 v. Everton "B" 3

Winning the toss, Everton took advantage of a strong wind and caused the home defence considerable trouble in the early stages of the game. The pattern of play continued in the first half with Everton building up a three goal lead by half time mainly due to defensive errors by North End. With the advantage of the strong wind North End had most of the play territorially in this half but were unable to penetrate the packed Everton defence. However, close on time a clearance by R. Johnson found Heary who chipped the ball to Worden, his diving header found the net for what was the best goal of the match. Everton were well served by their centre forward and wing halves while R. Johnson emerged as the pick of the North End eleven.
